

The following resolution regarding solar facilities was passed by the Pleasant Township Trustees on October 24, 2023:

“Whereas, Pleasant Township Zoning Board pursuant to Ohio Revised Code 519.213, small solar facilities are prohibited in all zoning districts within the unincorporated areas of Pleasant Township. ‘Small solar facility’ means solar panels and associated facilities with a single interconnection to the electrical grid and designed for, or capable of, operation at an aggregate capacity of less than fifty megawatts. The provision does not apply to solar energy systems used in connection with a single family residence or agricultural operations that are exempt from zoning pursuant to Ohio Revised Code 519.21.”

This resolution is effective as of October 24, 2023.
